

Course Syllabus for Web Design and Development I

Contact Information:

Name: Ron Espinola
Phone: 775-623-8130
Email: respinola@hcsdnv.com
Room #: 305
Website: respinola.com

Course Objectives:

Students will learn about content placement, use of color and graphics, typography and message using industry-standard software.

Course Description: This course is designed to introduce students to the basic elements of web design and development of web design and development. Students will learn about content placement, use of color and graphics, typography and message using industry-standard software. Students are introduced to various web design languages, design concepts and layout theory. Students will develop their skills utilizing industry-standard software and equipment such as Dreamweaver, Flash and Fireworks.

1 Credit

Grade Level: 9-12

Prerequisite: None

Textbook and other resources:

1. Data Files: Instructor will provide instructions for obtaining the Data Files.
2. Software: Google Chrome, Brackets, Notepad++, Sublime, Internet Explorer, Firefox, Adobe Dreamweaver CS5, Adobe Flash CS5, and Adobe Photoshop CS5, and Windows 7 will be used.
3. Assignments are posted at Mr. Espinola's website (<http://www.respinola.com>).

Class Procedures:

- Students should be in their seats and ready to work when the tardy bell rings.
- Students are expected to work the entire class period. Students that finish early need to bring other material.
- Students are expected to do what they are told; the first time.
- Discipline
 - Verbal warning.
 - Referral to office.
- No electronic devices of any kind are permitted to be used in class without the express permission of the teacher.
- NRS 388.135 Anti-Bullying Legislation is available for your review at: www.hcsdnv.com

Grading:

Students will accumulate points throughout the nine weeks. Points will come from the following categories, and will be based on the following percentages. Percentage grades follow the school policy, but are weighted as follows:

Daily Work-Assignments 50%

Assessment 50%

**Assessment will include the student's personal web site as well as traditional tests and quizzes*

Make up work:

It is the responsibility of the student to contact the teacher outside of class time to receive work missed due to absence. Late work is accepted, but for a maximum of 50% credit.

Assessment Re-Test Opportunities:

Assignments can also be redone in their entirety for a better grade (up to 80%).

Returning work to the student:

Students will not submit hard copies of assignments. Most assignments will be graded at the student's computer during class (assuming class time permits). Assignments will be saved to school server as well as respinola.com.

Progress Reports and Report Cards:

Students and parents are expected to use their access to Infinite Campus to check on their progress. Printed progress reports will be sent home with the student at least once per quarter. This is an assignment and need to be signed by the parent and returned for a grade. Report cards will be handed out the week following the end of the nine weeks. Credit will be given at the end of each semester at one half credit per semester.

Availability for Extra Help:

Students can receive additional help before school, at lunch, or after school by appointment.
